SUGGESTIVE PROGRAM FOR SUNDAY SCHOOL SESSION

Sunday Morning of Missionary Day, November 20, 1932

Song.—127 Life Songs; 493 Church Hymnal.
Scripture Lesson.—II Cor. 8:1-15.
Song.—152 Life Songs; 499 Church Hymnal.
Prayer.—(Especially remembering the work of the Juniors).
Brief Statement Giving the Purpose of Missionary Day.
Recitation by a Junior.
Study of the Sunday School Lesson.—Our Sunday school lesson fits very well into the idea of Missionary Day. The stewardship of money is very necessary if our mission work is to be successfully carried on. Let the teachers use this opportunity of impressing the need of taking care of the money which the Lord entrusts to our care and of giving bountifully to the support of His work.
The Names of the Missionaries and their supporters, also the missionary children and their supporters, may be read by a number of pupils, each taking a section previously assigned. In some instances the names of the missionaries of India or South America, and the stations at which they labor may be given from memory by one or more pupils. A map of the mission fields may be used in connection with this part of the program.
Missionary Songs by the primary and junior departments may be given at various times throughout the program. Numbers 45 to 56 in "Songs of Cheer" are good selections from which to choose. Also No. 116 in the same book.
Recitations may be interspersed at different times throughout the program. Material for these may be found in the "Words of Cheer" for Oct. 9, and Oct. 16, 1932; and the "Youth's Christian Companion" for October 30, 1932.

The Regular Offering for this Sunday may be given for missions. Stress the needs of our various mission fields and urge a liberal response. The returns from the Junior Investment Fund and the Savings Boxes should be handed in sometime during the Sunday school service.

A Short Talk of encouragement to the children for their earning, saving, and giving should be given by the superintendent, pastor, or some one appointed for this task.

Song.—124 Life Songs; 502 Church Hymnal.

Sermon.—"Preaching and Witnessing for Christ." Text, Luke 24:47, 48.

MISSIONARY DAY

The third Sunday of November has been designated by the General Sunday School Committee as Missionary Day. Should circumstances make another day more desirable, the Church, Sunday school, or community should be free to choose the day best suited to local conditions.

THE PURPOSE OF MISSIONARY DAY

1. To foster and maintain a healthy interest in missionary activity.
2. To furnish an opportunity for a united and a concerted emphasis on the subject of missions.
3. To lift up Christ as our great Missionary and Example.
4. To uphold the Bible as the great Missionary Book.
5. To provide a suitable opportunity for the return in each congregation of the proceeds of the Children's Investment Fund, due at this time of the year.
6. To encourage rendering of missionary programs, either in the Sunday school or in the Young People's Meeting, or at some special time.
7. To present missionary facts, statistics, and general information which will be of help to the cause.
8. To present the striking needs in our various fields and to encourage definite and united prayer throughout the church that these needs may be met.
9. To encourage young people to volunteer for active Christian service.
10. To win souls for the Master.

READ STUDY PRAY GIVE

THE JUNIOR MISSIONARY INVESTMENT FUND

Our Heavenly Father recognized the value of child-service and called children in early life. Samuel is a bright example. Our Savior used the child to illustrate the greatest Christian principles. The Master said, "Suffer them to come unto me for of such is the kingdom of heaven."

Juniors are willing to do their part in helping to bring the Gospel to every creature. The little Jewish maid and the boy with the loaves and fishes did what they could when given the opportunity.

Through the kindness of a brother in the west, David S. Weaver, La Junta, Colorado, who has gone to his reward, it is now possible for all of the boys and girls in our Sunday schools to make some money contribution to the mission cause. This brother deposited $1,000.00 with our Mission Board and stipulated that each spring it shall be loaned out in quarters to boys and girls who desire to invest the same in the interests of mission work. This is done through the Sunday school teacher or superintendent. These quarters are then invested in any way that the child desires or his parents suggest, and in the fall of the year the quarter, together with at least one-half of the profits made during the summer, is brought back to the Sunday school and the money is then forwarded to our General Treasurer. In many cases the children give all of the earnings. In this way children feel that they are contributing to the cause of missions, and at the same time they are getting valuable training in giving and are learning that the money with which we are entrusted is the Lord's and that we are responsible to Him for the way in which we handle our stewardship. ENCOURAGE the children to invest. MISSIONARY DAY is the LOGICAL and the PROPER TIME for the BRINGING IN of THESE FUNDS. HAVE SOME APPROPRIATE EXERCISES

OR ACKNOWLEDGMENT OF THE SAME.

What the Juniors Can Do!

$ 5,200.00 needed to support Missionaries' Children in India.
2,600.00 needed to support Missionaries' Children in South America.
1,800.00 needed to support Children's Home in Kansas City.
2,400.00 needed to support Orphans' Home, Ohio.

$12,000.00 can be earned by our juniors by using the Quarter Fund and the Savings Boxes.

We are very sorry indeed that so many did not use quarters this year. Our record shows $854.00 of the $1,000.00 Junior Investment Fund has been invested in quarters in the following states:—

Alta.-Sask.	$ 45.25	Maryland	$ 1.75
Arkansas	3.00	Missouri	39.25
Colorado	42.25	Montana	14.75
Idaho	7.25	Nebraska	41.50
Illinois	73.50	North Dakota	39.25
Indiana	100.25	New York	5.75
Iowa	57.75	Ohio	119.50
Kansas	104.75	Oklahoma	5.25
Michigan	45.00	Oregon	8.25
Minnesota	4.75	Pennsylvania	72.75
Mississippi	2.25	Virginia	20.00

The amount invested by Ontario Sunday schools is $75.50. These amounts invested by Ontario are furnished by M. R. Good, Treasurer of the Ontario District Board who has $100.00 contributed by a brother in Ontario for this purpose.

JUNIOR SAVINGS BOXES

Some boys and girls are not so situated that they can invest quarters to an advantage and yet they desire to give for mission purposes. This gave rise to the Junior Savings Fund. Accordingly Sunday schools have ordered from the General Mission

Board savings boxes on which the following is printed: "I will cheerfully do without luxuries and give of my savings for our missionary children. Remember the words of the Lord Jesus: 'It is more blessed to give than to receive.' Savings to be brought to the superintendent of the.....S. S. on Missionary Day, third Sunday in November."

The past few years some of the older brethren and sisters have used the Adult Savings Boxes. The Mission Board Treasurer at Elkhart has just received a shipment of nearly 4,000 of these Savings Boxes to be used by the young people and older members of the church.

OUR AIM

The primary aim in both of these plans is not to be found in the money that they will bring in, but in getting boys and girls interested in missions, so that they may develop into Christian men and women interested in carrying out the Great Commission, "Go ye into all the world and preach the Gospel to every creature."

When our Sunday school juniors come to the age when they no longer wish to invest quarters we think they should continue in helping the cause of missions because "It is required in stewards that a man be found faithful." We have again this year a suggestive plan of Christian Stewardship especially adapted to young people and any brother or sister who may be interested in making contributions for the cause of Christ in a business-like way. You will find more information about this plan on circulars which will be sent out from the General Treasurer's office, 1711 Prairie Street, Elkhart, Indiana, if you will simply send a postal-card request.

On the opposite page a miniature reproduction of a beautiful certificate given to all who participate in this plan is shown. Study carefully this offer given by our General Mission Board and take advantage of it if possible.

SOME SUGGESTIONS FOR OBSERVING MISSIONARY DAY

1. A missionary program given by some department of the school will be a decided help in making this day interesting. It may be given by some department of the school, such as the Primary and Junior, or it may be given by the whole school. It may be brief, taking the place of a general review

at the close of the school; it may partially take the place of the regular opening exercises of the school; it may be given as a special Sunday afternoon service; or it may be given in connection with the Young People's Meeting in the evening. Whatever plan is used it should be well planned and carefully arranged, so that it will make a

real contribution to the cause and not be merely for entertainment or show.

2. For program material use appropriate portions of Scriptures, songs, recitations, selections from our Church periodicals, mission study books, mission bulletins, annual reports, and letters from mission workers or Mission Board members.

3. The Young People's Meeting topic for November 20th is left open for a Missionary program.

4. If the third Sunday in November is not convenient to you or your community, use some other Sunday that is more suitable.

FURTHER SUGGESTIONS

1. Every minister and Sunday school superintendent should receive regularly the Mission Bulletin which is published twice a month and which may be had upon request from Vernon E. Reiff, Elkhart, Ind. A limited number of copies of the India Mission News may be had from the same source.

2. The Annual Report of the Mission Board, which contains the reports of the India and South America Missions, may be had free upon request from the Mennonite Publishing House, Scottdale, Pa. It should be in the hands of all Sunday school workers.

3. "Building On the Rock" is the title of a book giving a brief history of the mission work in India and is full of interesting missionary facts and experiences. It is richly illustrated. This book may be purchased from the MENNONITE PUBLISHING HOUSE, Scottdale, Pa., at the very special price of $1.00 from now until December 1. This special inducement is made in the interest of the missionary work in India, especially at this time when Missionary Day is being observed throughout our church. A copy of this wonderfully illustrated book should be in every home. The regular price of this book is $2.00.

4. "The Child." By L. L. Swartzentruber is an interesting and connected history

of the Mennonite Orphans' Home at West Liberty, Ohio, since the time of its founding in 1896 until the present. The many illustrations make the book exceptionally interesting. 208 pages. Cloth binding, $1.25 postpaid. Address, Mennonite Publishing House, Scottdale, Pa.

5. A Circle Letter published every month by the General Sewing Circle Committee may be had upon request from Lina Z. Ressler, Scottdale, Pa.

6. Booklet of Prayer for Missions of the Mennonite Church, for 1932. This booklet contains information concerning most of the activities of the Church, much of which is not given in any other publication. It is a convenient book of reference on our missions at home and abroad. Price 10 cents. Order through your District Sewing Circle Secretary, or from Mennonite Publishing House, Scottdale, Pa.

7. The Mission Supplement of the Gospel Herald each month furnishes information from the foreign fields and from our home mission work. You can find much helpful material in the back numbers of these Supplements if you refer to your Gospel Herald files.

SOME INTERESTING FACTS CONCERNING OUR MISSIONARIES AND MISSIONS IN VARIOUS FIELDS

FOREIGN MISSIONS

Some of these figures and facts are taken from the 32nd Annual Report of the Mission in India presented in connection with the 26th Annual Report of the Mennonite Board of Missions and Charities given at the Annual Meeting held at Metamora, Illinois, May 22-24, 1932. Missionaries on Furlough

Missionaries who are on furlough this year include M. C. Lehman and Lydia Lehman, Goshen, Ind., P. A. Friesen and Florence Friesen, Chicago, Ill., Joseph D. Graber and Minnie Graber, Manson, Iowa, and Mrs. Mina B. Esch, Elkhart, Ind.

Sisters Minnie Kanagy and Ada Hartzler are sailing on the S. S. President Jefferson October 1st, from Seattle to Hong Kong and on the Peninsular and Oriental Line S. S. "Naldera" October 22nd from Hong Kong to Bombay, arriving November 4th.

All of the above missionaries will appreciate friendly letters from brethren and sisters in America. You may address them c-o American Mennonite Mission, Dhamtari, C. P., India, regardless of station.

SPECIAL INDIA NEEDS FOR ADULT SUNDAY SCHOOL CLASSES

It indeed has been a great encouragement to our missionaries to know that the home church and individual Sunday school classes are willing to again furnish specified support in the various departments of the work in India. You will notice above that we have a regular amount which is sent each month and specified for a particular part of the evangelistic and other departments of the American Mennonite Mission.

Outstanding Needs

You will receive, if you send in your request, after December 1, 1932, a list of special foreign missionary needs for the year 1933. However we have a few special needs which have not yet been supplied for the year 1932 and we are hoping that some of our Sunday schools and Sunday-school classes will have a surplus in the hands of their treasurer to help us meet these needs. Will your Sunday school furnish one or more shares on the following basis?

40 shares of India Evangelistic Support, each $52.00, or at the rate of $1.00 per week for the year 1932.

India Medical Work is also divided up into shares and we have the following to offer:

20 shares of India Medical Work, each $40.00 per year, or $10.00 per quarter.

5 shares of India Medical Work, each $60.00 per year, or $15.00 per quarter.

4 shares of India Medical Work, each $100.00 per year, or $25.00 per quarter.

It was necessary for the Mission Board last April 1 to transfer from its General Fund $1,500.00 for the support of India teachers because this amount was

not fully supplied by specified supporters, so we have the following teachers not yet assigned for 1932:

8 India Village Primary Teachers, each $90.00 per year, or $22.50 per quarter.

3 India Station Primary Teachers, each $108.00 per year, or $27.00 per quarter.

7 India Academy Teachers, each $204.00 per year, or $51.00 per quarter.

The above mentioned needs are simply given here as the most outstanding needs which the Board has obligated itself to meet in order that the missionaries can continue their work unhindered.

We are very thankful to the Lord that a large number of Sunday-school classes and individuals are willing to furnish special support for orphans and widows, teachers, evangelistic work, medical work and any other urgent needs which are presented from time to time.

Certainly every one has done very well in making it possible to carry on the work in India and South America during these trying times. With united effort and united support we have been unitedly carrying on a great work in the foreign field.

Do not forget as a Sunday school teacher or superintendent or pupil that you are responsible to the Lord through the Church and the missionaries on the foreign field for those who are unsaved. Doing your small part well in bringing the Gospel message makes it possible to carry on such a large work. Each Sunday-school library should have on its shelves the book "Building on the Rock," which gives a history of the first twenty-five years of our work in India. Order from the Mennonite Publishing House, Scottdale, Pa. The special rate of $1.00 per copy postpaid is offered for only a limited time—from now until December 1, 1932—to help promote the missionary cause in India while Missionary Day is being observed. The regular price of this book is $2.00.

ARGENTINE MENNONITE BOARD OF MISSIONS AND CHARITIES

Incorporated in South America

Some of the interesting facts and figures are taken from the Tenth Annual Report of the South American Mission which is a part of the 26th Annual Report of the Mennonite Board of Missions and Charities.

This year was abounding in activities, with at times serious problems confronting the missionary force; but problems are an indication of growth. We are glad to testify that there is One who is equal to the solution of all problems—our Heavenly Father.

During the year there were 39 members added, but one of the painful things for us is the fact that we have a loss of 50 because it was necessary to expel from one of our congregations a would-be-leader and disturber of peace. He influenced others to go with him, and these were also excommunicated. There has been a small increase in our Sunday-school work. The average attendance was 928 in comparison with

715 of last year. We have 3 more Sunday schools and 6 more teachers. Our Bible readers made 3,512 visits and about 7,000 persons listened to the Word of God read to them in this way. During the year our report will show an increase in contributions. By means of weekly envelopes, the congregations contributed almost 1,000 pesos more in 1931 than in 1930. During the year a new church paper for our people was launched. The name is "Mennonite Voice." The Argentine Church is making progress. We ask not only continued giving but also continued praying for us.

Monthly Allowances Being Sent to South America Each Month During 1932

South America General Expenses and Rental of Property	$320.00
South America Orphan Support	165.00
South America Native Workers	420.00

This does not include the living allowances for the Missionaries and their children, which is furnished by other individuals, Sunday schools and congregations, on a two-month period basis instead of monthly basis.

The following building budget for South America for 1932 was approved at the last Annual Meeting of the Board:

Orphanage	$10,000.00
Mechita Chapel	100.00
Bragado Church Property	2,500.00
	$12,600.00

Missionaries on Furlough

Missionaries who are on furlough this year include Sister Selena Gamber of Goshen, Indiana, Sister Vera Hallman of New Dundee, Ontario, Bro. and Sister J. W. Shank of Goshen, Indiana, and Bro. and Sister J. L. Rutt of Lancaster, Pa.

All of the missionaries will appreciate friendly letters. You may address them in the name of the station after their name with the addition, "F. C. O., Argentina, South America."

We are very happy to report the above names of South America Missionary Children and their birthdays. Especially are we thankful for the support which was furnished for these children last year by the return of Quarter Earnings and the proceeds from the Missionary Savings Boxes.

It is earnestly desired that Sunday schools assume the support of these missionary children from earnings and savings. You will notice above that the support of these children bas been assigned to groups of Sunday schools where one Sunday school was unable to furnish the full support. On July 31, 1932 our South America Missionary Children's Support Account was overdrawn $119.75. We shall be glad to have you specify some of your earnings or savings to South America Missionary Children Support and if you wish to contribute to any particular child we will be glad to bear from you.

Without the prayers and financial support of the church in the homeland the work of the missionaries will be a failure. Let us remember them and their needs daily at the throne of grace, and also give of our means so that we can expect a report of greater work being done on tbe field.

MENNONITE CHILDREN'S HOME, 1620 S. 37th Street (1917)

Superintendent: Chris E. Miller.
Matron: Alice Miller.
Workers: Bertha Troyer, Fanny Troyer, Mary King.
The present number of children in the Home is 25. We have already accepted three children which are being placed into homes for adoption this year. Much is being done towards placing children in homes for permanent adoption rather than only boarding for a short while. In this way we can assure them of a better chance to make good spiritually as they grow up.

A recent help has been the leasing of a tract of ground to be used for pasturing cows, in this way furnishing our own milk.

The Christian friends have been very faithful in sending in provisions and supplies which has made it possible for us to do the large amount of charity work done in the past year. Some who are not even of our denomination have shown a very kind attitude in furnishing large amounts of eatables.

The mother of two small boys who were cared for as charity while she was in the hospital recovering from an operation has since been taken into the church as a member and is attending faithfully with her two little boys.

Because of the loyal support of the brotherhood and the blessings received from God we feel assured that you are praying for us and ask your continued special interest.
